PRINCIPAL'S COMMENTS

Dear Parents/Carers

We are currently preparing for the 2019 school year. Schools are staffed with teachers and administration staff based on the number of students enrolled. So we can plan our staffing and classes we need to know of any families who are leaving the area in 2019. If you are leaving the area please send a note or an email to the school by the end of this week. Naturally students currently in year 6 do not need to inform the school. We also need to know if your child/children will not be returning on the first day of school next year. If you are returning to school late next year due to an extended holiday please email or write a note and send it to the school office so we can count your child in our numbers. Students in years 1-6 in 2019 will return to school on Wednesday 30th January. 2019 Kindergarten students begin on Thursday 31st January.

This week, the P and C are holding their annual P and C Christmas lunch starting at 11am. I look forward to meeting with you all and I thank the P and C for their tireless effort in putting together this wonderful event for our school community.

Also this week, Kindergarten-Year 2 have their Christmas assembly. They are welcome to wear Christmas clothes on this day. This assembly also marks a wonderful milestone as the Kindergarten students will graduate from Kindergarten and will be recognised for their achievements in the first year of school. All of the teachers at MPPS are so very proud of the wonderful young children they are.

It is that time of the year that we need to vote our SRC Executive for 2019. Nominees will give a speech at a special assembly this Friday, 7 Dec starting at 9:15am. Parents and family of nominees are more than welcome to attend.

I look forward to celebrating all of the success of the students of Mannering Park Public School at the final presentation day of the year in the school hall on Wednesday 12th of December at 9:15am.

Next Thursday and Friday (13th and 14th of December) is High School Orientation day for all Year 6 students attending Government high schools. The majority of students from our Year 6 are heading to Lake Munmorah High School. Please return notes that were sent home regarding orientation/sport gala day. Students are to go directly to the High School and be collected in the afternoon by parent/carer. If you are unsure of your child's orientation details please contact their high school.
